- You then login to the Google Meet for the next lesson of the day.
- Your attendance is logged on Google Meet.
- The live session will be recorded and uploaded to Google Classroom at the end of the day so that you can review it or catch up if you need to.

- You need to make sure your camera is turned off, and your microphone is on mute throughout the call.
- If you have a question during the live session, type it into the Google Meet Q & A. Chat comments are also recorded.
