Child Looked After Policy

Named personnel with designated responsibility for Looked After/Previously Looked After Children.

Academic Year	Designated Teacher	Named Governor	Chair of Governors
2022-23	Emma Pacey Deputy Head	Des Fahy	Andy Ahmed

Rationale

‘Designated teacher for looked-after and previously looked-after children’ (DfE Feb 2018) makes it clear that ‘Many looked-after and previously looked-after children have suffered disrupted learning, may have missed extended periods of school, and many of them have special educational needs (SEN). The gaps in their learning and, in many cases the emotional impact of their experiences, are likely to have become significant barriers to their progress.’

Furthermore, the national outcomes from Looked After and Previously Looked After Children in terms of educational achievement and subsequent life chances are significantly lower than other children of similar abilities. It therefore follows that **these students need special treatment and positive discrimination in their favour** if this situation is to be improved. At Pinner High School we put in place strategies that allow these children to succeed in all aspects of life in line with children of similar abilities.

Purpose

- To clarify responsibilities with regard to Looked After/Previously Looked After Children
- To ensure there are structures and strategies in place to support the achievement and wellbeing of Looked After/Previously Looked After.

Guidelines

Definition of a Looked After/Previously Looked After Child

For the purposes of this policy Pinner High School adheres to the DfE Statutory Guidance **‘Designated teacher for looked-after and previously looked-after children: Statutory guidance on their roles and responsibilities’ (DfE Feb 2018)** which defines:

- a child ‘looked-after by a local authority’ is one who is looked after within the meaning of section 22 of Children Act 1989 or Part 6 of the Social Services and Well-being (Wales) Act 2014;
- a previously looked-after child is one who is no longer looked after in England and Wales because s/he is the subject of an adoption, special guardianship or child arrangements order which includes arrangements relating to with whom the child is to live, or when the child is to live with any person³, or has been adopted from ‘state care’ outside England and Wales; and
- a child is in ‘state care’ outside England and Wales if s/he is in the care of or accommodated by a public authority, a religious organisation or any other organisation the sole or main purpose of which is to benefit society.

A private agreement is not public care i.e. when a child lives with friends or relatives by private arrangement and these children are not designated as Looked After. Children living in these informal arrangements may be vulnerable and will be monitored closely by the school as necessary. Previously looked-after children’s challenges and need for support will often continue after they leave care.

However, designated teachers' work will reflect that their role for previously looked-after children is different to that for looked-after children, as the local authority is no longer their corporate parent.
